**Directions from the Hotel to Hubbs Hall 4500 at SIO**

*By Car:* Drive east on Avenida de la Playa and turn left on La Jolla Shores Drive. Pass through one stop light and make your next left at the NAGA WAY entrance. If you went under a bridge, you went too far. Follow down the little hill, without turning left, and park next to Hubbs Hall. Room 4500 is a stand alone building 100' east of the main Hubbs Hall building adjacent to the 4th floor.

*By foot:* Walk along the beach north and pass under our Pier. Hubbs Hall is the large 4-story building on the beach just north of the Pier. Room 4500 is just to the east of that large building adjacent to the 4th floor.

**Parking at UCSD**

Parking at SIO is expensive. We have to pay \$81 per month just to park here! I will try to steal some day passes for you, but in the event that I can't get them or get thrown in jail, the day permits are \$6 ea/day.
